PAPUA NEW GUINEA

The parcels of *Bible Pathways* and *Bibles* you sent were used for the Glory of God. They were for the graduates and arrived just in time. Students enjoyed receiving the *Bibles* as their gifts. Parents were glad. Students enjoyed memorizing entire chapters. Your *Bible Pathway* is not idle here. It speaks to us and works tremendously. To God be the Glory. You are instrumental to the great harvest ministry.

NIGERIA We received your *Bibles* and *Bible Pathways*. We have a ministry for God: to train young people in primary and secondary schools. We need *Bibles* to give our pupils to enable them to grow in the Word of God. The eyes of these children are on you for *Bibles* to help them know Jesus.

GHANA I express my sincere thanks to all who donated The *Bible Pathways* and *Bibles* in the name of Jesus. The *Bible Pathway* has helped me a great deal in preparing my sermons and winning souls for Christ. The teachings have strengthened my faith so strongly that I can say I am a follower of Christ in whom I have life.

ERITREA Your resources are impacting many people through me! Words fail to express my gratitude for the *Bible* and *Bible Pathway* you sent to me. It was God's answer to my prayer for an English *Bible* and commentary. I first saw your book in 2005. I began to study it. I felt myself changing and my spirit being empowered. After returning to the city I contacted you through your website. The past eight months, I spent my time in jail, only for being a Christian. There is high persecution towards Christians here. In prison there are no *Bibles*, so my soul was hungry. When I was released from prison . . . behold . . . your precious *Bible* and *Bible Pathway* awaited me at home. How I praised the Lord! I felt God was saying to me: Son, now is the time I've provided my pasture. Eat now as you want. Fill your stomach with it. Indeed I am doing that. May God bless you all.

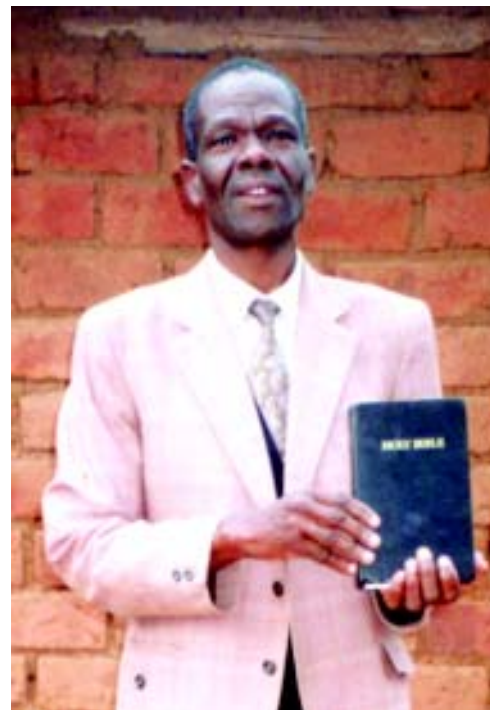

– Filmon Habtemichael Teseai, Asmara, Eritrea

MALAWI I thank you very much for the gift of a *Bible* you sent me. Also, the books of *Bible Pathway*. God bless you and your ministry.

– Pastor Jackson Dulani, Malawi, Central Africa

ST. VINCENT I am truly grateful for the gifts I have received from you. The Bible makes it simple for me to understand God's Word. I attended a crusade and the preacher read from Luke 16. Afterwards I gave my life to Christ. It has been ten years since that day and I continue to serve Christ.

ETHIOPIA Thank you again and again for sending *Bible Pathway*. Really, it deepens my relationship with Him. The Lord is helping me to pray more effectively than ever before because the *Best of Bible Pathway* is igniting the fire in my heart, and my love of reading the *Bible*.

Bible Pathway Radio Broadcasts . . .

Earlier in 2006: *Obi Nna from Nigeria wrote us his testimonial. Obi was a Muslim who, after listening to Radio Broadcasts, prayed to God for salvation and became a Christian. Obi went out and told other Muslims about God's saving grace and Bible Pathway Radio Broadcasts. Ninety-two former Muslims surrendered their whole lives to Christ. Obi appealed to Bible Pathway for Bibles to help these new Christians read God's Word and continue in their new faith.*

. . . Reach Many

In addition to Obi's letter, all ninety eight Nigerians that received a **Bible and Bible Pathway** have signed and returned their packing slips with testimonials written on them . . . *I am very happy to have my own Bible and Bible Pathway Book. God bless you. Keep on helping people because you have changed my life – Rachel Doyin; Thanks for the Bible and the Bible Pathway book. It is my companion – Osewole Matthew; Reading my Bible and the Bible Pathway. It has taught me a lot. I am blessed more – Samson Isuyi; The Bible and Bible Pathway you sent to me through Brother Obi Nna have lifted and built my life. I am so grateful. Thank you – Silas Obong*

Many of you, our faithful partners, responded in a great way and all 98 Bibles and Bible Pathways were sent.

January 25, 2007, we received this response: *We are all very happy and we say thank you very much for the 98 Bibles and Bible Pathway books you sent to us sometime during the first week of November 2006. The books have been shared among us and we use them to witness and preach Christ to people everywhere we go telling them about the love of God. Is it not wonderful you can see what the Bibles and Bible Pathways have done for us? People see God and it touches their lives!*

Letha Hash's Homegoing – Thousands Join in Prayer

United Prayerline Telephone Ministry RESOLUTION Sister Letha Hash – 31 January 2007

We are placed in this world for a limited time and with the breath of an infant, begins the race to the grave.

WHEREAS, in the providence of God, He has brought to a close the life of Sister Letha Hash, the officers and members of United Prayerline Telephone Ministry feel it is befitting to express their sympathy to our beloved Brother in Christ and close friend, Dr. John Hash, the beloved husband of the deceased.

WHEREAS, it is with a sad feeling we record Sister Letha Hash's passing, we commend her to the Lord who knoweth best and will always do right. To Dr. Hash, the family and staff of Bible Pathway Ministries, our prayers are forever with you.

BIBLE PATHWAY MINISTRIES

MINISTRY UPDATE

BIBLE PATHWAY MINISTRIES

Although The Battle Rages, God Tells Us: *There shall be showers of blessings*

(Ezekiel 34:26).

March 2007

God is using your gifts to bring light into the darkness that prevails over ancient Babylon, both to Christian Iraqis and our Military personnel. From inside a luxurious palace to the poverty-stricken pavements outside, "Bible Pathway" can be found. Your faithfulness and love gifts have made it possible. Over 20,000 copies of the **Best of Bible Pathway Military Edition** have been sent into Iraq and other areas. We have also been able to send all the remaining copies of the **Arabic Best of Bible Pathway** into the "Green Zone" just outside of Baghdad. Join us in praying that God will bring victory in the lives of thousands to make Christ King of kings.

I am in Iraq. I would like to inquire on a book which one of the Chaplains had here in the Palace of Saddam Hussein in Baghdad (pictured above) I am interested in two copies.

– GySgt M.D., (USMC)

*I just wanted to let you know we did receive the shipment last week. Many thanks indeed to you and your staff for getting the **Military Edition of the Best of Bible Pathway** to us. I want to tell you they went out like hotcakes! Praise God for the interest in these great devotionals. I see many folks with them as they travel to work and in the dining facilities. It's a tremendous blessing to see them out and about. Since they have moved quite quickly, I would like to know is it possible to ship an additional three cases. Many thanks to the staff at **Bible Pathway Ministries**. May God continue to bless as only He can.*
