

## Are You Ready To Be An International Radio Missionary?

Al Joslyn, Executive Vice President of Bible Pathway Ministries

Dear Ones,

What a marvelous God we serve. Through modern technology He has made it possible for us to partner together to reach the entire world with the life-changing message of Jesus. As the Good News travels upon the **wings of the wind** (Psalm 18:10), you can be a radio minister in broadcasting these inspiring 5-minute devotions. Two great missions are available.

**Reach the USA:** Would you like your local radio station to air **Bible Pathway** programs in your area? **Joe Brashier**, our **Director of Radio Ministries**, will contact the station for you and let you know cost and times available. Just send us the station name and phone number along with your name, address and phone number. Joe will contact you with this necessary information.

**Reach foreign nations:** Shortwave radio broadcasts penetrate all nations. You can help sponsor the daily devotions on all five continents. You may choose your date to broadcast naming a **Sponsor, In Memory of** someone dear to you, or **In Honor of** a special person or occasion. Be sure to list 1st, 2nd, and 3rd choices of dates.

You can also choose this spiritual opportunity of providing a **Bible** and a 500 page **Best of Bible Pathway (BOBP)** daily devotional commentary in response to requests from those who hear these inspirational messages. \$25 will pay postage for one **Bible** and one **BOBP** to most nations. \$37 will send a 20 lb. box of **Bibles** and **BOBP's**. We are a faith-based ministry and we pray that you will seek the Lord and make a commitment as He leads you.

Rick Hash, "The Voice of Bible Pathway" and radio pastor every day to thousands of grateful souls

Dear Bible Pathway Family,

Have you ever wanted to be a missionary to people who are praying for spiritual guidance? Together we can be missionaries without ever leaving our homes!

What a Great God we serve! Through modern technology He made it possible for the Good News of Jesus Christ to be broadcast through the radio outreach of Bible Pathway around the world every day.

Seven broadcasts air daily aimed at specific locations around the globe, including four times into all of South America in both English and Spanish. God has graciously opened the doors to our neighbors in the South and we feel it is their time to find the Savior.

Our signals are now much stronger which helps penetrate the many Muslim, Buddhist, and Hindu nations where missionaries are not welcome. There is no way to count the souls of those brought to the Savior through the radio broadcasts. But just one letter like the one below that we just received makes it all worthwhile.

You can sponsor one program for as little as five dollars. Where else can you give your money and reach so many people with the Good News of Christ's love?

Your Friend and Co-Worker with Christ,

Rick

Dear Brothers and Sisters,

I hear the **Bible Pathway** broadcast on 15.825 MHz - 12:10 PM. Thank you for copies of the **Bible Pathway** which I have received.

I was about to kill myself when I got copies of your books that restored my life spiritually and physically.

After reading your book I was completely restored back to my former faith in Christ Jesus. The Lord changed my life condition to the better side.

I therefore thank you very much for copies of the **Bible Pathway** that have made a miracle in my life.

Letters are received from all parts of the earth, including China and the Muslim nations, telling us how much it means to them to be able to hear the Word of God.

I wish to let you know that it has been wonderful being together with *Bible Pathway* and the programs you used to thrill our spiritual upbringing. It has gone a long way to change our morals and we are praying for this relationship to continue in the years ahead.

In Bamenda, our broadcasts run from 5:30 a.m. to 12 midnight daily. We cover a population of about 1,300,000 in ten provinces in Cameroon. Two provinces – Buea and Bamenda – are English speaking and one province, Baffoussam is French speaking. We equally cover some parts of Nigeria. We wish we could have some help from you to reach many more zones. We will be blessed with your assistance to a country like ours which is almost fading out, but you are there to raise it in God's name and for His will.

I am a Christian and also a regular listener of international short wave radio dedicated to the teaching of salvation of Jesus Christ to all mankind. It is from this short-wave radio that I got to hear *Bible Pathway* radio broadcast. Your program has helped me greatly. Please do avail me with your biblical publications to help me grow more in Christ.

*Bible Pathway* listeners gather before a small, inexpensive short-wave radio, with only one Bible, waiting patiently for five minutes of spiritual manna to feed their hungry hearts. This photo was taken in an obscure village in the nation of Kenya

Calvary greetings. I am a student at the Nigerian Baptist Theological Seminary in Ogbomoso, Nigeria. I have been listening to *Bible Pathway* radio broadcasts for some time now. Your broadcasts have been a catalyst to knowledge and understanding of the love of God to humanity.

It is hard to say how many lives have been changed. Those people I introduced to *Bible Pathway* radio broadcasts have always felt tremendously encouraged and drawn back to God and His Word. You are really reaching people with the Gospel of Christ.
