

## El Camino Bíblico Crosses America

The Lord is doing a mighty work in the hearts of Latino people as *El Camino Bíblico* travels from coast to coast and border to border. They have been sent to individuals, mission groups, various organizations, radio stations, and churches in most of our states. Innumerable copies have been sent to Florida, Texas and California, all with heavy Hispanic populations.

**DOVER, MO** – I am the pastor of a SBC church plant in Dover, MO. We have several families in our area who speak only Spanish and I need devotionals and discipleship materials in Spanish very badly. Can you help?

– Pastor Mike

**CHICAGO, IL** – I am ministering in the inner city of Chicago. Do you have low cost paperback, softcover, Spanish Bibles? We also need your devotional in Spanish. I minister to English and Spanish groups.

– Rev. J. Verden

**LUKEVILLE, AZ** – I came across and old copy of *El Camino Bíblico*. How do we go about getting some for our small congregation (about 30)? We are retired now. I am 89!

– Rev. G. Owens

**OAKLAND, CA** – Can you send an *El Camino Bíblico* to this lady? One of her workers is Spanish and I just led her to the Lord. The lady goes to Shiloh Church in Oakland and also reads *Bible Pathway*. Her husband is not saved.

– A. Tzimanis

## El Camino Bíblico Goes to Prison

The Spanish *Bible Pathway* has been sent to dozens of prisons in the USA. Through word of mouth, over 300 *El Camino Bíblico* alone have been sent individually – one at a time – to California City Correctional Center, California City, CA. Apparently the Hispanic prisoners have joined together and formed Bible and prayer groups. Each time a new Hispanic inmate arrives, the others disciple him to join the group and preach to him how to receive salvation. They are then encouraged to write us for a copy of their own *Bible* and *El Camino Bíblico*.

Our inventory of *El Camino Bíblico* is nearly depleted. \$30,000 is needed for an immediate reprint.

Your prayers and gifts can help carry the everlasting Gospel to those whose native tongue is Spanish.

*I saw another angel fly in the midst of heaven, having the everlasting Gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people (Revelation 14:6)*

## El Camino Bíblico Joins the Military

The Best of Bible Pathway Commentary, English and Spanish versions are distributed freely to those who defend our nation. This is just one base of dozens where Bible Pathway spiritual material is sent.

L-R: Chief Warrant Officer Rene Llanos, Dr. John Hash, and Acenet Llanos

*El Camino Bíblico* has quickly become one of the favorite through-the-Bible teaching guides used by military chaplains as thousands have been sent to Iraq and given to Hispanic service personnel. Statistics show that 15% of all USA military personnel are Latinos, totaling approximately 109,000 men and women. They are presently helping defend our nation from terrorists.

According to Chief Warrant Officer Rene Llanos, Ft. Campbell, KY Hispanics represent about 25% in this area, with 50% bilingual on base. *El Camino Bíblico*, the Spanish translation of *The Best of Bible Pathway* has been sent to hundreds of military bases both here and abroad, including Iraq.

Chief Warrant Officer Rene and Acenet Llanos received 32 cases of English and 28 cases of Spanish *Bible Pathway* to be given to those being deployed out of Ft. Campbell. Bro. Llanos and his wife, also work as directors of *Ministry to the Military*, in Clarksville, TN.

Pastor Wilson Navarro with *Encounter with God Missionary Outreach* located in Clarksville, TN, also works with the military and their families at Ft. Campbell. Pastor Navarro received and transported cartons of *El Camino Bíblico* for distribution at the base. He is also a liaison with *Iglesia de Dios Hispana de Nashville* and *Radio Vida*, both out of Nashville, TN.

Dr. John Hash (L) with Pastor Wilson Navarro

Pastor Jorge Garcia of *Eternal Rock Baptist Church*, along with 15 other chaplains also works with the military and their families out of Ft. Campbell. He received 42 cartons of Spanish *Bibles*, *El Camino Bíblico* and *The Best of Bible Pathway Military Edition* for distribution.

Pastor Jorge Garcia (R) and BP staff load cartons

*With many words did he testify and exhort . . . and the same day there were added unto them about three thousand souls (Acts 2:40-41)*

# El Camino Bíblico Teaches at Bible School

**Bible Pathway** has a spiritual ministry relationship with the *Rio Grande Bible Institute* which is located just north of the Mexican border in Edinburgh, TX.

Their specific ministry is to serve the Hispanic church by equipping the leaders. They have a Bible Institute program in Spanish for Spanish-speakers and a Spanish language program for missionaries preparing to serve in Latin areas. Thousands of servants of Christ are now ministering in His *fields, white already for harvest* (John 4:35).

Their staff members and students helped with the translation of *The Best of Bible Pathway* devotional commentary. After it was completed, they recorded the entire devotional in Spanish as a 365-daily radio broadcast. It is aired over *Radio Esperanza*, their radio transmitter, as well as every Spanish broadcast we offer. A copy is offered free to anyone writing in after listening to the broadcast.

Hundreds of copies of *El Camino Bíblico* have been sent to *Radio Esperanza* and distributed through their local program, as well as from **Bible Pathway Ministries** headquarters. Only the Lord knows

how many have been brought into His Kingdom through their love and dedication. They also use *El Camino Bíblico* devotional commentary in their curriculum and it can be purchased through their bookstore. They use a continual supply of *El Camino Bíblico*.

In a recent article, David Loyola, Dean of Students, said they see their students as future leaders and are working to patiently fashion them into a “finished product” like a jeweler working with diamonds in the rough. Your prayers and love gifts help supply them with the spiritual tool of *El Camino Bíblico* as a portion of that training. And as King David decreed, because you share in helping train these future Hispanic leaders, you share in their harvest of souls.

**But as his part is that goeth down to the battle, so shall his part be that tarrieth by the stuff: they shall part alike (1 Samuel 30:24-25)**

JOIL MARBUT

**Bible Pathway Ministries** is not only supplying Joil with *El Camino Bíblico* but also a one-year set of the Spanish broadcast tapes so that he can take them into the jungle and leave them with the churches he can only visit every two months or so. Since many of those people cannot read or write, and many villages do not have electricity, they will be able to hear God’s Word taught by using a hand-cranked cassette recorder.

We praise God that He has opened ways to minister His Word in even the remotest jungle areas. Through faithful servants like Joil Marbut, you are able to share in Bible Pathway’s teaching ministry of God’s Word to people who are just now learning the joys of walking daily in His Light.

## ECUADOR, Cuenca – High in the Sierras

Joil and Leah Marbut are missionaries in Ecuador. Brother Marbut said he travels deep into the jungle where even radio signals are not received and carries recorded spiritual messages which he plays on his iPod. Brother Marbut visited **Bible Pathway** headquarters about a year ago. He had *El Camino Bíblico* sent to his home church in Alabama. From there a team carried them to South America. At that time they were hosting their Bible Institute, planting several new churches and distributing the Spanish *Bible Pathway* to all their pastors and church leaders. He said five cases of *El Camino Bíblico* were distributed to all the Assembly of God missionaries in Ecuador. Joil told us, “This tool that you have provided us really meets a big need that we have of teaching believers how to study the *Bible*.”

**Bible Pathway Ministries** is not only supplying Joil with *El*

## JUNGLES OF PERU

### Jungle Along the Amazon River

The Amazon area of Peru was opened to evangelism for the first time in 2004. Working out of Iquitos, Pastor Fernando Arturo Rojas Franco contacted **Bible Pathway**. At the time he had 1,000 pastors holding a variety of seminars for young people, women, prayer groups, pastors, etc. They asked for 1,000 copies of *El Camino Bíblico* for the Amazon area and 700 for mission leaders in Huaycan, a coastal city which had 60 churches. In 2005 we were able to send several hundred each of Spanish *Bibles* and *El Camino Bíblico* to the jungle and 250 each to Huaycan. They are still asking for more.

AMAZON VILLAGE

### Andes Mountain Range

Last fall a case of *El Camino Bíblico* and Spanish *Bibles* were sent to the foot of the Andes Mountain Range, district of Santiago, Cusco, Peru, in reply to the following letter: *Here in the rural community of the Southern Sierras of Peru, we do not have access to Christian Music or books. Throughout this area there are many guerrilla groups, Sendero Luminoso and EtnoCacerista. They do not agree with the message of Christ and many brothers in Christ have lost their families, wives and children. Many churches have been burned and pastors publicly executed. We need your valuable books that satisfy our hunger for God. I went online and discovered your website. I work with the poorest people in the Southern Sierras of Peru. Please send at least ten of El Camino Bíblico.*

– Eloy Trauco, Missionary

**El Camino Bíblico Treks the Jungle**
