

We're Experiencing **Equipment Breakdowns!**

Praise the Lord! We are under attack! Since the devil doesn't bother those who obviously are not bothering him, we must be really irritating him! We have currently experienced a number of what we feel are "disastrous" circumstances. We are asking your prayers and blessings in helping us to replace the "tools" that have served in an immeasurable way to further the work of the Lord.

First, our mailing machine is very old and worn out!

After years of heavy use it jams, tears envelopes, and is literally, beyond repair! Our problem, as many of you are aware, is that it is critical to the daily operation of our ministry. **The postal machine processes more than 90% of all our daily transactions.** It is a vital way to help keep costs low by insuring we only pay for the postage necessary to send our subscriptions, biblical items, and daily communications. After much prayer and searching, a reputable business has offered us a replacement at a discounted cost of more than 50% off list price. Pictured above and listed at \$9,000, this machine can be purchased for \$4,200. Pray that someone will meet this need.

Secondly, two of our computers unexpectedly crashed. Although they were old, they served an invaluable service to our office manager, member of our editorial staff, and secretary to our financial manager. **The most critical use of these was to preview the pages of Bible Pathway to insure the continued quality of the message contained, as well as the accuracy of the Word of the Lord.** In earlier years we employed 40 to 50 employees

and used typewriters. Today we produce much more than we did 30 years ago with only one-third the number of employees and computers. Some funds are also needed to update other computer related equipment, at a cost of \$8,000.

Total Needed: \$12,200

As always, any help we receive would be greatly appreciated and would provide immeasurable blessing.

AND JESUS SAID UNTO THEM, I AM THE BREAD OF LIFE:

The **WORD** Goes Forth

We were troubled on every side; without were fightings, within were fears. Nevertheless God, that comforteth those that are cast down, comforted us (II Corinthians 7:5-6).

Regardless of all the doom and gloom, and subtle satanic attacks, The Word continues to go forth into every nation worldwide via radio, internet, and the printed page. The Spirit is on the move and the Kingdom of God continues to grow. Your prayers, gifts, and underlying support make miracles happen!

Testimonies From Our Radio Outreach

Praise Jesus! Please send me the free introductory copy of Bible Pathway devotionals and the free Bible offer, as spoken of on The Bible Pathway program from the radio broadcast of Sri Lanka Broadcasting Corporation. I listen to radio broadcasts, and by accident came to know about your program just a few days back. I appreciate your program very much. I like it. It is quite encouraging, challenging and builds up spiritually. Please keep the good work going. Pray God blesses you all at Bible Pathway.

Our Society is working independently to establish churches, schools, welfare centers and dispensaries to help poor and needy children and widows. We also arrange crusades and conferences in our country. We want to know more about Jesus Christ and His people, like you. – Evang. J.W., Lahore, Pakistan

Dr. John A. Hash, God our Master, has established your wife's and your name as universal; therefore, giving honor and lift it all over India. We started an orphanage according to the stipulations of our government. We thank God for His miracle of a Church Building, Playground, Prayer Hall, and Water System.

WORD of GOD Pierces Hearts

350 Souls Without a Preacher Are Brought to Jesus with Only *The Bible Pathway* Sent in Request to a Radio Broadcast Listener

350 of us from the disabled, motherless home do gather together in a cell and read your wonderful messages on one of your booklets. We all have been reading this **Bible Pathway** since last year and truly to God be the glory. Due to all the wonderful and powerful messages of hope, love, healing, salvation, and eternity that we have been reading, all of us have now given our whole lives completely to Christ Jesus, our only Lord and Savior. Even as we are all disabled and motherless, we promise to love and trust the Lord Jesus all the days of our lives and shall witness Christ to those that come around us.

Our only and greatest problem right now is that we don't have **Bibles** to read God's Word. We believe that by God's grace you are able to help us with the **Bibles** we need. Please, for Christ's sake, send 350 holy **Bibles** that have both the Old and New Testaments. If the **Bibles** reach us, we shall share them one by one.

Thanks very much for your radio program, **Bible Pathway**, which I used to hear on WHR sometimes. Unfortunately, the reception these days is very poor and I have lost touch from you. I loved the program very much and feel I am missing a lot these days. Could you please send me the **Bible Pathway** devotionals (four sets if possible) and some **Bibles** (as many as you can manage). Your generosity will help our people who are hungry and thirsty for the Word. I am a pastor of a small but growing and vibrant church and have witnessed this great hunger.

The Holy Spirit Quietly Brings Hope

The **Bible Pathway** studies on the radio and devotional booklets including **Bible Pathway** reading plan has helped to transform the lives of our members, laypersons, and pastors. Most Christians we work with throughout Sierra Leone have expressed a desire for your **Bible Pathway** and **Bibles**. I wish to appeal for 1000 **Bibles** and **Bible Pathway** devotional guides for our outreach programs. Please be informed that they no longer accept **Bibles** by sea, only by air, otherwise they will not send them to Sierra Leone.

– Brother J.B. Tarawally, Sierra Leone

This assembly has been richly blessed, encouraged, and revived by copies of the materials we have received, particularly your copies of **Bibles**. We need more copies of your **Bibles**, **Bible Pathways**, and other help for distribution to our members and hundreds of thirsty souls here. May the Lord bless you richly.

We are claiming the airwaves of the world for Jesus Christ with **Bible Pathway through-the-Bible devotionals**. Satan is known to be **the prince of the power of the air** (Ephesians 2:2). Our shortwave broadcasts of the Word of God probably go right through his living room. Available to approximately 400 million Spanish-speaking people in the world! The enemy is creating darkness in the southern hemisphere, but: **In Him was life; and the life was the light of men. And the light shineth in darkness** (John 1:4-5).

L to R: Jose E. Manuel and John Harvey of Aselsi Ministry in Guatemala visit with John A. Hash at Bible Pathway Headquarters

Brother John Harvey and his wife, Sharon, have been ministering in **GUATEMALA** for 15 years, training the nationals to evangelize, not only to their nation, but the surrounding South American countries. All his students are required to use **El Camino Bíblico** daily. Your gifts have supplied this devotional to almost all of his graduates. This year he has 400 students and our supply of **El Camino Bíblico** is depleted. We're praying for \$30,000 to reprint. Bro. Harvey reports that for the last 2-3 years communism has been infiltrating many of these Latin American nations, especially instigating new laws and regulations designed to control the church in Nicaragua, Venezuela, Ecuador, Bolivia, and of course, Cuba.

Robert Pagel of Minnesota tries to travel to South America on mission trips every year, carrying in **El Camino Bíblico** for the churches he contacts. Pictured to the right is Robert with Pastor Jorge who is shown holding his **El Camino Bíblico**, copies of which were also distributed among the women of the Ladies Bible Class in the Church of Cordoba, **ARGENTINA**.

Robert Pagel with Pastor Jorge

You would be glad to see the women of the Shalom Ministry using the **El Camino Bíblico** every time they meet. At our last evaluation meeting, the women requested meeting twice a month for increased Bible study. The National Prayer Movement here in **PERU** also continues promoting the use of **El Camino Bíblico**. There are meetings every Tuesday afternoon and Saturday morning with an estimated attendance of 200-500 people.

Retired engineer, **Jacob Miller**, thought he was moving to **PANAMA** to live a relaxing life amidst beautiful weather. The Lord led him to a wonderful translator. At first, they began meeting in homes, eventually forming a church. Later someone donated land with a building where they have now established the Amore Divine Church, with 32 adult members plus children meeting twice a week. Sunday school classes are held on Saturdays.

I have some exciting news for **Bible Pathway**! This past week, a Mexteco Indian translator was at Rio Grand Bible Institute. She has been translating Exodus from Spanish to her own language and told us how hard it was to translate the sacrifices, feasts, and tabernacle. I showed her **El Camino Bíblico** and gave her a copy to take back to Mexico City. She recently emailed to ask for more copies for others. Two different women missionaries with Wycliffe Translators also asked for 10 **El Camino Bíblico**. I wanted you to know, God is using your ministry to capacitate Bible translators in **MEXICO**!
