

*therewith content* (I Tim. 6:8). The added precious blessing is the letters we receive from grateful brothers and sisters in Christ from about 150 nations of the world who express their gratitude for the priceless **Bibles** and **Bible Pathways** they have received. The results are thrilling. How grateful we are that God has chosen us to be His ambassadors. We never beg or plead. Jesus never did, even with the rich young ruler whom He loved (Luke 18:18-24). But we welcome you to join us in giving what God has laid upon your heart to serve Him in the distribution of His Word.

Right now pray to the Father and let Him guide you in this "Rescue Mission" for those who are still alive but facing certain death, buried amidst the rubble of humanity.

Your Co-laborers together with Jesus,

John A. Hash and Staff

★★★ MISSION NEED ★★★

We need to immediately reprint *The Best of Bible Pathway*. The cost of reprinting 10,000 copies is \$32,500. We cannot begin reprinting until we are assured of receiving the full amount. It has usually come from 4 or 5 families who provided as much as \$5,000 each. *\$325 will provide these books to 100 families, so your gift is very important at this time.*

MINISTRY UPDATE

March 2010

Jesus . . . saith unto the disciples . . . .  
watch . . . . the hour is at hand (Matt. 26:36-45)

Dear Ones,

As the Lord said concerning His Ministry, He is also saying to us: **I must work the works of Him that sent Me, while it is still day: the night cometh, when no man can work** (John 9:4). "**The night**" is only a few hours or less away.

As we face the uncertainty of our devalued dollar and economic future, with the certainty of the Lord's soon return we get the sense of how short time is to provide **Bibles** to the thousands in our generation who have never yet been told that **God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life** (John 3:16).

Our Savior has assigned that personal responsibility to every disciple in every generation when He said: **Go ye therefore, and teach all nations . . . Teaching them to observe all things whatsoever I have commanded you** (Matt. 28:19-20). The Holy Spirit will do the rest.

And to emphasize His urgency to us, **nothing can be more important** since it is written: **Thou hast magnified Thy Word above all Thy Name** (Ps. 138:2). **Thy Word is a lamp unto my feet** (119:105). It reveals the Truth and the Way to live. It gives understanding to the Simple. It is powerful and allows us to be more than conquerors. Is it any surprise that **Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God** (Matt. 4:4).

God unexpectedly "arranged" for our **German translator, Claudia Wintoch**, to visit our headquarters. She told us that 13 million lost souls live in the nation of Mali in Africa where it borders the Sahara where God has led her to be a missionary.

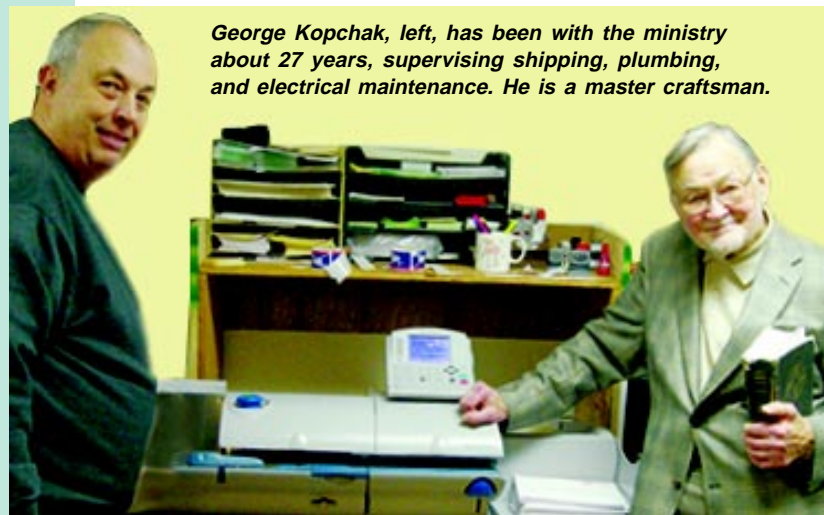

In Mali almost everyone endures horrific poverty, exist in inhumane living conditions; indulges in unlimited child sacrifice; women have no worth and the children even less. There are no schools, electricity, television, telephone, or radio in the villages she has chosen. They have no joy, no hope. The villages where she ministers speak the little known language of Bambara. Only the New Testament exists in that lan-

# Rescue Mission

*Deliver the poor and needy:  
rid them out of the hand of the wicked (Psalm 82:3-4)*

George Kopchak, left, has been with the ministry about 27 years, supervising shipping, plumbing, and electrical maintenance. He is a master craftsman.

An upgraded postage machine has helped expedite shipping large quantities of *Bibles* and *Bible Pathways* throughout the world.

to every nation of the world in response to the requests we receive; plus (3) **Enlarge the outreach of Bible Pathway International Radio Broadcasts.**

We're short staffed and finances have been down. But God's answer couldn't have been clearer! Fulfilling the goal of getting everyone throughout the world to read, or listen, to the Bible. Our brief life on earth is meant to be a preparation for eternity as well as help others know the Good News. Jesus reminded us of the urgency of His Great Commission when He said: **the night cometh, when no man can work** (John 9:4).

God gave us an unconditional guarantee of success: His **Word shall not return unto Me void . . . it shall prosper in the thing whereto I sent it** (Isaiah 55:11). It may seem strange to the world but when you love the Lord you want everyone to hear "His guarantee" of eternal life and the fact is we have the priceless privilege this year of reaching millions who have never yet been told that **God . . . gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life** (John 3:16).

With the need in mind do we let the economic situation we face cut off the finances when the need is so critical - life or death? Our German translator was praying to be a missionary where no church or Christian witness exists. We need the

guage. No one in these villages can read or write; but they will be able to listen to the solar-powered units that you and I can make available. Needless to say, the spiritual need is critical.

The Lord has led us to (1) **Publish a KJV Bible with Pathway notes** to be shipped to areas of the world where there are few, if any, **Bibles**. We are approaching the 400th year of the KJV English translation; (2) we will **ship these Bibles and Bible Pathway devotional commentaries**

same God-given vision and we can have it without the hardships she chose to please her Master.

Claudia Wintoch, is now in Mali, Africa, a nation of 13 million lost souls. There are about 200 nations in the world and Mali is rated the 5th most destitute nation on earth and must be verbally told the Good News of Jesus in their little known language to learn what God has revealed to most of the world 2,000 years ago. She already has a class of about 20 orphan children, teaching them how to read and write in their language.

We anticipate the **Bible Pathway Bible** that is now being compiled will be published before the end of this year. We have also arranged for production of the **Bible** and devotions on a handheld, solar-powered, instrument about the size of a cell phone. This little unit will also include all our **Bible Pathway** daily devotions. Solar-powered Bibles are needed to speak personally to the millions in Mali, Africa who cannot read or write. God has made it possible for us to have these available for such a time as this. Not just for those in Mali but also other places like the 500,000 villages in India where no missionary has ever been.

I welcome you to join **Bible Pathway Ministries** in providing the One Guide to life inspired by our Creator to the remaining areas of the world.

It's awesome what all of us can do working together. Don't underestimate the widow's mite and how much God multiplied her love, faith, and willingness to give all that she had. We estimate that \$15 will ship a **Bible Pathway Bible** and a **Bible Pathway** anywhere in the world. Every dollar counts and is urgently needed. Twelve dollars will pay for one day's broadcast on the Internet that now reaches every continent, and fifty dollars will buy a Solar-powered **Bible**. We will know soon what it will cost to translate and transfer the **Bible** and **Bible Pathway** onto this unit.

Someone may have assets (property, insurance policies, annuities, automobiles, etc.) as well as cash. There is no better time than right now to invest these assets into **Bibles** and **Bible Pathway** through-the-Bible teaching guides to be given to those who have never yet heard the Good News that Jesus loves them.

The **Bible Pathway** staff considers it a privilege to live frugal lives and know that as we **seek ye first the kingdom of God, and His righteousness and all these things shall be added unto you (Matt. 6:33)**. Everyone on our staff has taken a cut in their salary this year to help make our goals possible. Everyone gets paid the same salary, including myself. My auto is a 2001 Buick. The Biblical guideline is **having food and raiment let us be**

The entire **Bible** and all **Bible Pathway** devotions will be recorded on solar-powered instruments about this size and will be distributed in Mali, Africa, India, and other remote areas of the world.
