The Burmese editions of the *Best of Bible Pathway* were enthusiastically received from this group of Myanmar souls for Christ.

Yangon, MYANMAR

The Lord continues to work in the hearts of His people as **Solomon Thang Khang** of Myanmar (formerly Burma) was moved to begin translating *The Best of Bible Pathway* into his native language. Shown are the happy faces of some of his church members holding up individual copies of this precious treasure. After a special dedication service to the Lord for spreading His Word in Myanmar using *Bible Pathway*, Brother Solomon asked for prayer as he continues translating through the book. Plans are in the works to make this translation available on **Bible Pathway Ministries'** website: www.biblepathway.org

Kathmandu, NEPAL

Traveling across Nepal, we found increasing numbers of new converts attending Christian programs without a *Bible* in their hand. For people who earn less than 220 Rupees (3 US Dollars), it is a dream to carry a good **Nepali Bible** in their hand. We are in need of 50 **English Bibles**, as well as **Nepali Bibles**. We try our best to place these in the hands of persons who really need them. We don't charge money for the *Bible*. God's Word is free to anyone who desires to have it

The Bible Distribution Ministry in Kathmandu, Nepal appreciates your support in helping them fulfill requests for Bibles.

We might not be able to supply *Bibles* to everyone who asks for one, but we will continue to give as long as there is a Bible in store. We collect *Bibles* and money to purchase them from our partners and dear friends across the world. If you would like to be part of this **Bible Distribution Ministry** and donate *Bibles* or send a contribution towards their purchase, please contact **Bible Pathway Ministries**.
